Dear Friends,

On Sunday, September 14, 2025, the Azalea City (GA) Chapter of The Links, Incorporated will proudly present Emerald Enchantment: A Green Carpet Affair, our signature fundraiser in celebration of our 30th Anniversary. This elegant event will honor three decades of service, sisterhood, and impact while raising vital funds to sustain and expand our community programs.

As you may know, The Links, Incorporated is an international nonprofit organization. With more than 17,000 professional women of African descent across 41 states, the District of Columbia, the Commonwealth of the Bahamas, and the United Kingdom, we are united in a mission of friendship and service. Our work centers on five key areas: The Arts, Services to Youth, National Trends and Services, International Trends and Services, and Health and Human Services.

Since our chartering in 1995, the Azalea City Chapter has created and supported programs that enrich, educate, and uplift individuals and families in our community. From awarding scholarships and mentoring youth to promoting health awareness and cultural enrichment, our efforts are powered by the generosity of our members and supporters like you.

We humbly invite you to become a sponsor of Emerald Enchantment. Your contribution will directly support our scholarship fund and programming, allowing us to expand our reach and deepen our impact. In appreciation, we offer a range of benefits and recognition opportunities, which are outlined in the sponsorship packet enclosed.

Your partnership would mean the world to us as we celebrate our legacy and invest in a brighter future for those we serve.

Thank you for considering this invitation. Please contact us at azaleacity30th@gmail.com if you have any questions or would like additional details. Let's make Emerald Enchantment an affair to remember—for a cause that truly matters.

With gratitude,

Berranthia Brown President, Azalea City (GA) ChapterThe Links, Incorporated

The anniversary celebration and fundraiser will highlight 30 years of impactful service and dedication to the community, while collaborating with The Links Foundation, Incorporated, to raise funds to support local chapter programs.
